This is the October, 2002, issue of the Tosspot, a publication of the Barony of Unser Hafen of the Society for Creative Anachronism, Inc. (SCA, Inc.). It is not a corporate publication of SCA, Inc., and does not delineate SCA, Inc. policies. The Tosspot is available from Jodi Smith, 6333 East Highway 402, Loveland, CO 80537, for $8 per year, $1.00 per issue. Make checks payable to: SCA-Unser Hafen.

Submission deadline is the 20th of the month for event announcements, articles, and artwork. Officers reports are due at officers' meeting.

The Tosspot

from the Chronicler

This is a pretty thin issue. I'm printing everything submitted. But if you don't send me things, I can't print them.

I am including a copy of the Kingdom award recommendation form. The new Queen will be attending Unser Hafen Baronial Yule. If you have awards you would like to see her give out then, now is the time to make recommendations. Since Princess Katharyn isn't Queen yet, probably the proper protocol is to send copies to both the current Crown and the Prince and Princess.

Current King and Queen:
TRM Bela and Elizabeth
Outlands R Us
P.O. Box 5290
Woodland Park, CO 80866

Crown Prince and Princess:
TRH Darius and Kathryn
c/o David Nagro & Kathryn Ballard
11100 Gibosn SE I-193
Albuquerque NM 87123

In the Outlands, anyone can recommend anyone for any award. The Crown can't know everyone in the Kingdom, and they won't necessarily know who is deserving unless you tell them.

Look up Nikolaus's great article on How to Write Award Recommendations in last May's Tosspot. (It is on the Unser Hafen website, too, under View Publications.)

Because of mundane responsibilities, I am in desperate need of a deputy Chronicler. You will get lots of training, written directions for assembling the Tosspot, software, and an active base of subscribers. Contact me at (970) 663-1513 or chronicler@unserhafen.org.

from Goldenvelt to Unser Hafen -- A History of the Barony

part 3 -- A.S. XXVI and XXVII

by Lord Robin of Bristol

In December of A.S. XXVI Lord Titus passed the office of Seneschal to Lady Rosalind of Wellmark who in turn passed her office of Treasurer onto Lord Tamlene.

Sometime around this time, I, Robin of Bristol, came again to an Unser Hafen activity. It was Archery Practice at the home of Tamlene and Drahomira. I had a great time and stayed for many years. From this point on this history relies on my memory in addition to The Tosspot archives.

Also around this time, several gentles from the far east arrived in the Barony, Akira and Takashi among them, both from the Japans. They have joined others of fame in the history of the Barony. They both traveled the long distance to Estrella IX after they had gathered others from their homeland.

In August, A.S. XXVII, Baroness Ismenia stepped down from Her position as Baroness of Unser Hafen. For her service she was created a court Baroness and as the First Baroness of Unser Hafen is titled Baroness Unser Hafen.

Baron Kevin remained on the Baronial throne as sole crown representative of our lands for two more years.

Minamotō no Akira was the victor of that years Defender tournament. In that year he also moved to the region of the Barony that now forms the Canton

of Bofharrah. There he met Conchobhar and Lughbec, who with him were instrumental in the founding the group that would become the Canton.

In September, A.S. XXVII, Lady Anastazia announced she was seeking a replacement as the Baronial Chronicler, an office she had taken from Sir Kevin shortly before he became Seneschal eight years earlier. She turned the office over to me, Robin of Bristol, in February A.S. XXVII at Eisteddfod.

At this time, a long hidden collage within the Barony came to light. Its origins may lie with Canton Goldenvelt, but at this time it had no name and would not for several years. At this time the college was headed by Alessadra di Amadini and Taliesin. The was first known as the CSU Medieval Society, then became known as "Saint Martin's Abbey", and finally in A.S. XXIV, it was revived as "Ram's Keep" and finally granted official Kingdom status as a College within Our Barony.

Also at this time came the first appearance of Dun Bolacht in the way of reports in The Tosspot by Lughbec ni Eoin.

In May A.S. XXVIII, Unser Hafen hosted the Coronation of Their Royal Highness' Leif and Elisheva. Many gentles in the Barony who attended can tell you of the fiasco that resulted from court starting two hours late. Sean ui Neill was in charge of the feast and remembers the cold food of that event very well.

In July, the Baronial Defender Tournament was done in a Japanese style including a Japanese feast. Minamoto no Takashi won the tournament and became Defender. This year Lady Rhianwen ferch Morgant *{now known as Baroness Rashiqah}* won Protector and Lord Thorfinn Greybeard won Warden.

In October, the third anniversary of Our elevation to Barony and the eleventh anniversary of our first populace gathering at that first Medieval Fair, the Barony held a Birthday Party, and The Tosspot featured its first full color cover. The cover was by Lady Medhbh O'Duibhdabhoireann of Clontarf *{known then as Maeve the Unpronouncable, and now known as the Honorable Lady Nadrah}* and featured a reproduction of a brass rubbing of Robert the Bruce and the four Baronial Order badges in the corners. The Birthday party was held on the ninth of October. In attendance were many gentles who had left us over the years, including Marshak the Goldenwolf. At this time, many familiar faces in Dun Bolacht had joined us: Timon Phocas, Amice de Fayel, Anne Matthew of Landaff, and Aildhcinna MacAilpean, plus some old faces including Ceindrych Fayrebourne of Ayr, Garwed Cadburiensis, and Elszebet Vorosvari. Over the years other gentles had found Unser Hafen: Lady Medhbh, Lord Aedhan Brecc *{now known as Lord Eliayhu}*, Lord Tuman Ellyozof *{now Baron Tuman}*, Lady Cala of Savatthi, Averick of Glen Rowany, Fionnghuala Bethoc of Lindisfarne, Kathryn Clatworthy, Katerina von Lehmann, and Mazuna of the Farshore. Many of these were at the Birthday Party where many old stories were told and many great events transpired.

Dun Bolacht presented Baron Kevin with many gifts, including a fine steed. A great sadness descended over those gathered as Baron Kevin announced he would be stepping down as Baron. There were very few dry eyes in the hall. So began the events that let to the next Defender where Baron Kevin would leave.

{This history of Unser Hafen's early years was written by Lord Robin of Bristol, and edited by Master Thorfinn Greybeard. It is being published in segements in the Tosspot.}

News from the Canton of Bofharrach

This month the Canton of Bofharrach (Greeley) is sponsoring the Black and White Ball. The event announcement appears on page 4.

As of press time, the following is the most recent information on Bofharrach events. The winter meeting schedule should be available soon.

Greetings from your friends in the Canton of Bofharrach,

Wednesday evenings are the combined heavy/light fighter practice for the Canton. Besides fighting we will also have resources for garb design and heraldic consultation available.

The practice starts at 6:30 PM at Centennial Park, 2227 23rd Ave in Greeley. We have a covered pavilion and seating available, and plenty of room for fighting/pickups. To get there, take US-34 all the way into Greeley. Exit onto 23rd Avenue and turn left. The park will be on your left once you pass Centennial Library. Look for the skateboard park (or check out http://www.mapquest.com/maps/map.adp?country=US&address=2227+23RD+AVE&city=GREELEY&state=CO&zipcode=80634 for a map).

We hope to see you there!

Yours in service,

Lord Nikolaos Demetriou ho Toxotes (970)356-0943

Sewing

Wednesday evenings, starting around 6 p.m.

People can bring a project they are working on or come with an idea in mind and we can get fabric or start a pattern. I suggest that new people allow me or someone with experience to help them with the fabric shopping for the first few times. Pictures of ideas always help, too.

It is at my house in North Loveland off Highway 287. Call or e-mail for exact directions (667-3330, arnden@yahoo.com).

Loveland Fencer Practice -- Winter Site

Each THURSDAY night we MEET FOR OUR LOVELAND BARONIAL FENCING PRACTICE!! The Harold Ferguson High School Gym is our Fall and Winter indoor fencing site.

It opens for dressing at 6:30 PM, fencing starts at 6:45 PM., and ends at 8:15 PM. We must be out of the Gym by 8:30 PM. Be there to help make this fencing ONLY practice a success!

This indoor fencing practice is held at the Harold Ferguson High School Gym located at 804 E. Eisenhower Blvd in Loveland CO. The site has good access from I-25, being on the east edge of Loveland just 4 miles west of exit 257 of I-25.

Only shoes with non marking soles will be allowed. Tennis shoes are preferred. This is a fencing only site. We cannot risk damage to the gym floor that heavy fighting might cause.

We will have the Baronial loaner fencing gear available. In addition some of us bring personal loaner gear.

This Fall and Winter indoor fencing practice will help us work on our WAR fencing skills and aids us in the training of our new fencers. It also gives our fencers who are also heavy weapons fighters and opportunity to practice their fencing skills. And as a bonus, fencing is a superb aerobic exercise.

The site costs a $15 per evening, $10.00 per hour. A donation of $1 to $2 per person per evening would be appreciated to defray the cost to the Barony.

Driving Instructions: Please note that Harold Ferguson High School is NOT your typical huge brick high school. It is an alternative school built in a converted commercial building. It is a low dark building with the name, Harold Ferguson High School, in one foot high silver lettering across the front.

If traveling on I-25: Take Exit 257 West onto US 34. Go West on US 34 ((E. Eisenhower Blvd. in Loveland) about 4 miles to Harold Ferguson High School at 804 E. Eisenhower Blvd. Harold Ferguson High School is between Loveland Lumber Yard on its East side and the Antique store on its West side. Turn into the parking lot on the East side of the building, and enter the Gym through the door on that side of the building.

If traveling on US 287:

If coming from the South, US 287 is Lincoln Avenue in Loveland. Take it North through Loveland until you reach Eisenhower Blvd. (US 34) which is about 14th St. North.

The Tosspot

Turn East (right) on Eisenhower Blvd. and travel about 4 blocks to Harold Ferguson High School at 804 E. Eisenhower Blvd. Harold Ferguson High School is just after the Antique Store and before Loveland Lumber Yard. Turn into the parking lot on the East side of the building, and enter the Gym through the door on that side of the building.

If coming from the North, US 287 is Cleveland Avenue in Loveland. Take it South through Loveland until you reach Eisenhower Blvd. or US 34. Eisenhower Blvd. is about 14th street north. Turn East (right) on Eisenhower Blvd. and travel about 4 blocks to Harold Ferguson High School at 804 E. Eisenhower Blvd.

If you have any question please email me or call me at home.

Trivia Challenge

submitted by Lord William Avery of Woodstock, Windkeep

As of this writing there are now sixteen Kingdoms in the S.C.A. The listing in alphabetical order is:

An Tir, Ansteorra, Artemisia, Atenveldt, Atlantia, Eathelmearc, Caid, Calontir, Drachenwald, Ealdormere, East, Middle, Meridies, Outlands, Trimaris and West.

Can you list the Kingdoms by date of Creation? The West was first, back on May 1st in 1966 [A.S.* I], with Ealdormere being the latest on Oct. 1998 [A.S. XXXIII].

The Outlands, by the way, is the 12th Kingdom created in the S.C.A. back in June 1986 [A.S. XXI].

The Tosspot
Trudging Along the Web

submitted by Lord William Avery of Woodstock, Windkeep

Unless life finds you living in a cave which, in my case it does quiet often, each one of us has accessed the Internet. This is done some times to seek out (and hopefully not destroy) information that relates to a particular area of interest in or lives as members of the S.C. of A. What is found can be extremely useful, or not. Sometimes what is stumbled across is so profane that brains, along with computers, freeze up as information over-load takes place. Yet, other times the knowledge sought out leads to exploration of trivial tidbits, a.k.a. "Links", that might not even relate to the original inquiry, which can be both good and bad at the same time. I myself have been known to spend a little too much time on the computer, thereby ignoring the basic tenants of married life, when I find something completely unrelated to what I was attempting to locate. However hard I try, I can't seem to pull myself away from the screen due to the sheer amount of sponge like activity my brain likes to partake in with or without my participation. This series of articles is intended to share the records of my binary quests. Some are failings, others success's (do not bother asking, as a former government employee I am sworn to never tell). Please feel free to e-mail <LordWilliam@19sixty9.com> the paths you have tripped across in your journeys and they shall be incorporate into future articles as space and time permit. This first list is a varied collection while others will be more focused. Enjoy.
